Team V Team Project - Meeting 10 Minutes

October 25, 2012

1 Date And Location

Thursday 18th October 2012 at 1 Oclock in SAWB 203.

2 Attendees

Team Members: Ross Adam, Andrew Gardner, Nicole Kearns, Mamas Nicolaou, Asset Sarsengaliyev
Supervisor: Jeremy Singer

3 Agenda

- Walked through the Prototype GUI layouts that Andrew made.
- discussed the online tests - Bytesize and Hotpotato
    - ideas from both which we think would be good for our project.
        - quiz layout
        - method for answering the questions

4 Goals

- Contact Fiona with prototypes to see what she likes and wants.
- Contact Fiona with ideas for the quiz
    - hints, scrolling, when to display the answer
- Document related content which will be useful when doing our dissertation - Hotpotato and bytesize
- look at technology for prototyping
- implement a few prototype layouts
- Store GUI pdf and questions on github

5   Next meeting:

Thursday 25th October with Jeremy Singer in SAWB S103 at 11 Oclock.
