Team V Team Project - Meeting 13 Minutes

November 2, 2012

1   Date And Location

Thursday 1st November 2012 at 11 Oclock in SAWB 203.

2   Attendees

Team Members: Ross Adam, Andrew Gardner, Nicole Kearns, Mamas Nicolaou, Asset Sarsengaliyev
Supervisor: Jeremy Singer

3   Agenda

- Briefly went over our D3 with Jeremy.

- Discussed the reply we got from Fiona (about the prototypes)

- Talked about how the content of the app will be updated

    - Using slides for the content and using a slider to navigate through them

    - slides could be jpeg, png, pdf ..

- For the assessment at the end, vet students would like them to be related to exam, like possibly past exam questions or sample exam questions

4   Goals

- Andrew - create simple prototype on web2py

- Asset - create simple prototype on Rails or php

- Mamas - create simple prototype on django

- Ross and Nicole - come up with some evaluation questions for the prototypes

    - going to be the judges of the prototypes, along with Jeremy

5   Next meeting:

Thursday 8th November with Jeremy Singer in SAWB S103 at 11 Oclock.
