Team V Team Project - Meeting 12 Minutes

October 25, 2012

1 Date And Location

Thursday 25th October 2012 at 1 Oclock in SAWB 203.

2 Attendees

Team Members: Ross Adam, Andrew Gardner, Nicole Kearns, Mamas Nicolaou, Asset Sarsengaliyev
Supervisor: Jeremy Singer

3 Agenda

- Discussed briefly ideas we had about how the content would be updated by the staff/lecturer.

  - use of slides; easy to edit/update info for app then.

- Discussed modularity and came up with some for our project.

  - Content view; questions associated with it;

  - Navigation; menus for topics and assessments

  - Upload information(update current content)

  - logins

  - assessment/final test

4 Goals

- Mamas and Andrew - upload module ideas on the wiki on github and provide a brief description.

- Asset - look at prototypes with twitter-bootstrap and share ideas with the team.

- Nicole - email Fiona with questions

    - Is there a limit to who can access the app? Is it only available to vet students?

- Ross - upload bytesize document to the wiki

5   Next meeting:

Thursday 1st November with Jeremy Singer in SAWB S103 at 11 Oclock.
